

RS 6

Pricing and Specification Guide
Valid from May 2008

A User's Guide

This guide has been designed to help you tailor and price your RS 6 quickly and logically. At the back of this guide, you will also find information on CO₂ emissions-based vehicle excise duty and the other services offered by Audi, including Finance and Insurance. If you wish, you can also go to audi.co.uk and configure your RS 6 online.

The new RS 6

It doesn't get much better than the RS 6. For a start, this is the single most powerful model ever to be produced by Audi. Not simply because it features a massive V10 TFSI engine which accelerates from 0 to 62mph in 4.6 seconds, but because it's capable of moving even the most laid-back of motorists to complete and utter awe.

Its predecessor certainly did. Launched by Audi over 4 years ago, the first-generation RS 6 was so revered for its incredible performance potential that it created a cult all of its own. It's no surprise, then, that this updated 580PS 5.0-litre TFSI model has already brought automotive enthusiasts to their knees. The perfect position from which to admire a supremely sporty set of 20" alloy wheels, glinting braking system and enlarged front air intakes.

Allow us to introduce you to the superlative of Vorsprung durch Technik – the Audi RS 6.

Engine

The power plant. The heart of the RS 6. This ten-cylinder engine generates impressive torque of up to 650 Nm all the way from 1,500 to 6,250 rpm. The enhanced 6-speed tiptronic gearbox with shortened shift times adds dynamism to your drive, reacting to your every impulse in just fractions of a second.

A twin-turbocharged 10-cylinder 580PS TFSI engine. The words alone are enough to set the adrenaline coursing through your veins. So just imagine the thrill when you find yourself pinned back into your Satin Nappa leather Sports seat by the sheer force of 650 Nm of torque – accelerating the RS 6 from a standing start to 62mph in just 4.6 seconds.

Not so long ago, that kind of power was unimaginable. Until TFSI® came onto the scene, that is. This unique Audi technology, which injects fuel directly and precisely into the engine's combustion chambers, was originally developed for Le Mans to deliver increased power and torque as well as enhanced fuel efficiency. It's seen Audi win the world-famous 24-hour endurance race year after year after year, leaving the competition trailing far behind. And it does exactly the same in the Audi RS 6.

quattro

Permanent four-wheel-drive

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 25 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the RS 6 so thrilling to drive. It's called quattro® permanent four-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe. In the RS 6, asymmetric-dynamic torque distribution continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.

All RS 6 models have the following items of standard equipment

The equipment for the Audi RS 6 Avant builds upon the standard equipment for the Audi S6. The typical characteristics of the Audi RS models emphasise the exclusive, dynamic and sporty character of the Audi RS 6 Avant. It is unmistakable.

Wheels, tyres and suspension

20 x 9.5J '5-segment-spoke' design alloy wheels with 275/35 R20 tyres
Dynamic Ride Control (DRC) Sports suspension system with 3-level control
High-performance braking system
RS-specific quattro® Sports chassis
Tyre Pressure Monitoring System
Tyre Mobility System

Safety and security

Audi Parking System Plus with front and rear sensors
Cruise control
Electromechanical parking brake
Front and rear ISOFIX child-seat preparation with front passenger airbag de-activation switch
Front and rear side airbags with Sideguard curtain airbags
Light and rain sensor for automatic activation of lights and windscreen wipers

Seats

Electric lumbar support for both front seats
Front and rear seat heating
RS-specific front Sports seats, electrically adjustable, driver's side with memory
Satin Nappa leather with contrast stitching and RS embossing
Through-load facility

Audio and Communication

6-disc CD-changer – compatible with .mp3 and .wma files
Audi Music Interface (AMI)

Bluetooth mobile phone connection

BOSE® surround sound

DAB digital Radio

DVD-based Satellite Navigation system with TMC functionality

MMI Multi Media Interface with 7" high-resolution screen

Luggage compartment net

Exterior equipment

Adaptive light including Xenon headlights, LED daytime running lights, headlight washer system and automatic range-adjustment

Auto-dimming, heated, folding door mirrors with memory function

Automatically-actuated electric tailgate

Coming-home and leaving-home lighting function, selectable through MMI

Matt-finish aluminium wing-mirror housings, roof rails, window trims and grille

Paint finish in metallic or pearl-effect

Rear lights featuring LED technology

Twin oval exhausts

Avant

Engine	Power	Transmission	Basic RRP	Total RRP inc. VAT	Recommended OTR
3.0 TFSI	580PS	6-speed tiptronic*	£65,276.60	£76,700.00	£77,730.00

Recommended On-The-Road (OTR) retail prices include: delivery charge, half a tank of fuel, number plates at £575.00 (inc. VAT) and Road Fund Licence (which may vary depending on model/transmission. See page 33 for details) and first registration fee at £55.00.

Transmission

tiptronic®

The 6-speed tiptronic transmission system is a form of automatic transmission, standard on all Audi RS 6 models. The technology incorporates DSP – or the Dynamic Shift Programme – which aligns and converts the engine's high power and torque into both sporty performance and operating convenience, with crisp, fast gear changes, reduced weight and optimised gear-shifting.

In the 'D' (Drive) and 'S' (Sport) programmes, the advanced electronics used in tiptronic respond efficiently to every driver input, helping to prevent unwanted gear-changes. The driver can override automatic mode by moving the gear lever into a tiptronic shift-gate, enabling spontaneous gear-changing for a sportier driving style.

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that added element of exclusivity – that distinguishing look that sets you apart from the rest – you can specify your RS 6 with options from Audi exclusive. Whether you want a completely unique, custom-mixed paint colour, seats in a combination of complementary shades or even individualised carpets and floor mats, Audi exclusive will enable you to drive the car you've always imagined.

For more information on any of the options over the following pages or to view swatches, simply ask a member of staff at your local Audi Centre.

Upholstery

With Audi exclusive, you can choose between Fine Nappa leather and Alcantara, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours.

Choose just one all-over shade for each seat, or for a sportier look, customise each panel in two or more complementary colours from the distinctive Audi exclusive palette shown here. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, you're guaranteed to be extremely comfortable with the result.

Order code	RS 6	Basic RRP	Total RRP ^{incl. VAT}
S3G/PYC	•	£2,127.66	£2,500.00

Leather/Alcantara (package 1)

Head restraints, seat side bolsters, front and rear centre armrests in Fine Nappa, leather seat centre section and door trim inserts in Alcantara

Valcona leather (package 1)

Seat upholstery (with contrasting stitching), head restraints, door trim inserts, front and rear centre armrests in leather

Valcona leather (package 2)

As above also including armrests in the door panels and backrest covers for front seats. Add-on parts colour matched to chosen leather

Seatbelts

Colour matched to seat upholstery or any colour from exclusive range

Paint

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro. The choice is yours.

Or any other paint colour in the Audi range

£936.17	£1,100.00

Customised paint

In a car made from Vorsprung durch Technik, there are no compromises. So if you have a particular colour in mind, we'll mix the exact water-based metallic or pearl-effect shade you want – whether it's the blue of your favourite shirt or the wall colour in your sitting room.

Basic RRP	Total RRP inc. VAT
£1,531.91	£1,800.00

Carpets and floor mats

Exclusivity isn't just about choice and individuality – it's about attention to every detail in your Audi RS 6; and for us, that includes the carpets and floor mats. First, choose from nine different colours of high-quality velour carpets. Next, choose the colour of your car's floor mats from the same list, whilst using the palette of Audi upholstery colours detailed on page 25 to select a leather colour for the mats' decorative leather piping – matched or contrasting, depending on your personal taste. Floor mats are included when you order Audi exclusive carpet; but if you wish, floor mats can also be purchased separately as a set.

Steering wheels and controls pack

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? With this in mind, Audi exclusive enables you to customise your steering wheel, gear knob and gaiter in smooth, warm leather, in any of the colours shown on page 25. As with Audi exclusive seats, you even have free choice on the colour of the decorative stitching used.

Order code	RS 6	Basic RRP	Total RRP ^{incl VAT}

S3GYRH	•	£327.66	£385.00

Inlays

Inlays are the all-important 'finishing touch' that add flair and interest to the surfaces inside your car. So Audi exclusive have sourced a hugely varied range of materials from which to craft these elements – from rich quilted maple wood to clean, contemporary brushed aluminium. You can even customise your gear knob and steering wheel with one of the available woods, all of which are shown opposite.

Technical data

Petrol

Engine	Cylinder	Displacement, cubic cm (valves per cylinder)	Max. power PS ¹	Max. torque, Nm at rpm	Transmission	CO ₂ emissions, g/km ²	0-62mph acceleration, seconds	Top speed, mph	ABl insu
5.0 TFSI	10-cylinder	4991 (4)	580	650 (1500-6250)	6-speed tiptronic ²	333	4.6	155	

¹ The given value was obtained in accordance with the specified measurement procedure (the respective current version of Directive 80/1269/EEC).

² The given values were calculated in accordance with the specified measurement procedure (the respective current version of Directive 80/1268/EEC). This information does not relate to a single vehicle and does not comprise part of the offer but intended for the purpose of comparison between the different vehicle types.

Weights, kg	Weights, kg		Max. trailer load, kg ⁴			Volumes		Fuel consumption, mpg (l/km)		
	Gross weight limit	Roof load limit	unbraked	with 12% gradient	with 8% gradient	Luggage compartment capacity, cubic litres	Fuel tank capacity approx, litres	Urban	Extra Urban	Combined
2655	2655	100	n/a	n/a	n/a	565, 1660 ⁵	80	13.8 (20.4)	27.4 (10.3)	20.2 (14.0)

¹ Gross weight without driver (calculated in accordance with the current version of Directive 92/21/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity should all be correspondingly reduced.
² For vehicles for towing equipment.
³ For vehicles with rear seat folded down.

RS 6 – dimensions

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load. Luggage compartment volume in litres: 565/1660 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down). Turning circle approx 12.2m.

CO₂ emissions based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created seven categories:

CO ₂ emissions (g/km)	Vehicle Excise Duty (Road Fund Licence)
0 to 100 g/km	£0.00
101 to 110 g/km	£35.00
111 to 120 g/km	£120.00
121 to 130 g/km	£145.00
131 to 140 g/km	£170.00
141 to 150 g/km	£210.00
151 to 160 g/km	£400.00

CO₂ emissions figures

CO₂ emissions figures quoted in the technical data section are based on a fully-laden vehicle, including the driver and the heaviest possible options configuration. Actual emissions may be lower depending on options selected.

Servicing tailored to your needs

With the introduction of model year 2008 TT, A3 and A5 (other models to follow) an improved variable maintenance concept with a revised and simplified maintenance schedule has been introduced to meet the increasingly varied needs of Audi drivers.

As with the original LongLife Servicing there is still the ability to opt for the traditional Fixed Interval Inspection servicing with oil changes every 10,000 miles or the new enhanced servicing concept.

With this new regime the oil change remains variable and, depending on operating conditions, can be carried out up to 20,000 miles or 2 years.

Enhanced LongLife servicing

Fixed Service intervals:

Oil-change Service	Every 10,000* miles/1 year
Interval Service	Every 20,000* miles/2 years
Interval Service Inspection	Every 40,000* miles/4 years

Variable Service intervals:

Interval Service	Flexible to a maximum 20,000* miles/2 years
Interval Service Inspection	Every 20,000* miles/3 years, then every 20,000 miles/2 years thereafter

However, with enhanced LongLife Servicing, the Inspection Service elements are separate to oil changing. These are carried out for the first time at 3 years or 20,000 miles and then every 2 years/20,000 miles thereafter.

The time and distance remaining until each part of the service is required is displayed separately via the Service Display on the car's computer.

In practice, this new service concept results in lower ownership costs, as maintenance work is carried out when your vehicle really needs it.

*Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Service by Design

At Audi, we believe our customers have the right to expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

Every Audi Centre will be open during the following hours:

Sales: 9am-6pm Monday to Friday

9am-5pm Saturday

Service: 8am-6pm Monday to Friday

8.30am-1pm Saturday

Sunday opening at local discretion.

Test drives

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

New Car delivery

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

Delivery to any location within the UK

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

Every attention to detail

Your ownership experience starts with half a tank of fuel.

Quotation response

We are committed to answering any quotation request within 1 working day.

Training

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

Formal complaints procedure

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

Courtesy cars

When your car is off the road, perhaps due to a scheduled service or MOT, we will offer you an Audi Courtesy Vehicle until yours is ready. We'll even collect from and deliver to your chosen location, keeping hassle to an absolute minimum.

A personal service

All work will be done by a named Audi Technician, to whom you can personal direct questions or requests should you need to.

Service bookings

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

Cleaning

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

No hidden charges

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Prices and specifications given are correct at the time of printing. Always check details in your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

Prices are subject to VAT, currently charged at 17.5%.

Prices change and number plates are not included in the vehicle price.

£85.64
£575.00

Audi Roadside Assistance

Your new car comes complete with complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the third year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery

This package, together with Audi variable Service intervals, offers a combination unmatched by any other manufacturer. Contact your Audi Centre for full details.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from. Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire Purchase
- ▶ Lease Purchase
- ▶ Finance Lease
- ▶ Contract Hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
